

THE BIRCH LOG

REGULAR MONTHLY MEETING

Monday, February 17h @ 7:30 PM

At the Clubhouse

The Birchwood Lakes Officers and Directors will be addressing the issues presented in this newsletter. Some of the items on the Agenda for this meeting will be:

- VP of Finance will present the 2003 Budget for approval.
- Financial Secretary reports on 2003 dues collections.
- Easter Egg Hunt preliminary plans are hatched.
- Ed Eck days are scheduled.

Nonmembers who wish to join the Birchwood Lakes Colony Club are encouraged to come to the meeting. Their application will be taken at the meeting.

THE QUESTIONNAIRE THING

On pages 3 and 4 of this issue is an "Emergency Plan Questionnaire." We are required by Medford Township to prepare a comprehensive, written plan for Birchwood Lakes. Please take the time to fill out this form to help us meet the requirement mandated of BLCC. When you have completed it, tear it off and mail it to the Club. Your inputs will save the BLCC volunteers a lot of time and who knows, someday it may help you!

LAKES RESTORATION

Ron Yulick reported at the last Board meeting that the engineers took 33 samples from the lower lake to determine the amount of fill that has occurred there. This will help BLCC determine the condition of all the lakes. Further impacting our lakes will be the possible widening of Jackson Road across our lake. Ron contacted Senator Martha Bark's office to express our interest in this possible project. There is a possibility Senator Bark will attend the DEP pre-application hearing. No date for that meeting has been set yet. The Pine Lands Commission is also expected to attend. We will keep our members informed as to when, where, who, why, etc.

JANUARY BOARD MEETING

Of interest:

John Rothwell sent a letter to the Burlington County Board of Elections to confirm that the Clubhouse will be used for future elections.

The tennis court gate locks were changed for 2003. Jim Whipple has the new keys. One year of use costs \$25.

The fence on Jackson Road will be repaired as soon as the Township receives the materials.

NW Lakeside Drive will be cleaned of the sewer misadventures when the weather improves.

The property committee will be scheduling two additional work days to supplement the two EWd Eck days.

40 households had already paid their 2003 dues
