If you haven't been closely involved, you would find it hard to imagine the complexity of the Restoration Project. Shown to the left is a chart depicting the tasks to be done. Exact dates are not shown due to the fact that government agencies are the determining elements that BLCC cannot control.

All these tasks are being worked on by the Lakes Committee and Ross Alber. Please consider joining and helping. Call Tom Andreacci at 654-7922.

REGULAR MONTHLY MEETING

Monday, February 13th @ 7:30 PM

At the Clubhouse

The Birchwood Lakes Officers and Directors will be addressing the issues affecting our community. Members are encouraged to attend. The Officers and Directors will be making decisions for you. Why not express your ideas? For detailed info on the meeting format and future meeting dates, go to our website and click on "Board Meetings". Nonmembers who wish to join the Birchwood Lakes Colony Club are encouraged to come to the meeting. Their application will be taken at the meeting.

Dear Birchwood Lakes residents,

I would like to thank you for sponsoring me in the MS (Multiple Sclerosis) Read-O-Thon this year. You helped Haines/Memorial Middle school raise an outstanding amount of money of \$8,000. Sixty students in Haines participated in this Read-O-Thon. I placed third in making the most amount of money with \$526.00. Many people really appreciate the donations that you've made to help scientists find a cure for this horrible disease. Thank you again for your generosity. Your neighbor. Joey Zurzolo
