A Monthly Newsletter for Birchwood Lakes Colony Club: March 2011

" March . . . when the sun shines hot and the wind blows cold: when it is summer in the light, and winter in the shade."

~Charles Dickens

Ad Space Available in Directory

Advertising space is available in the Birchwood Lakes phone directory which is being updated and will be published soon. A business ad will provide name recognition, awareness and credibility to a target audience of 190+ homes in Birchwood Lakes. Unlike other

forms of advertising, a directory ad has permanence since the directory is kept and referred to for two or more years. The directory is also given to all new residents who move into Birchwood Lakes. For information about rates or other questions call Jack Lefton at 609-654-2184 or Jeannie Schluth at 609-953-8271.

- **Ed Eck Day will be held in late April. Look for details in next month's Birch Log.**
- **The Board would like to ask that residents refrain from fishing off the dock at the beach. Stray fish hooks pose a threat to bare feet in the summer.**
